

Paper : I CHN-701-(I) Inorganic Chemistry

Unit :- 1

© Inorganic photo Chemistry :

Introduction photochemical Laws & Kinetics, Photo physical & chemical processes of transition metal complexes. Photo isomerization of complexes.

Unit :- 2

© Mass Spectrometry

Principles & applications to Inorganic chemistry

Unit :- 3

© EXAFS, ESCA, Auger Electron Spectroscopy

Unit :- 4

© STM, AFM

- Luminescence Spectroscopy

Principles and applications to Inorganic Chemistry
