## CT6: Evaluation

1. Theory of each CORE paper will be evaluated for a maximum of 100 marks out of which, 40 marks shall be for internal Examination and 60 marks for the end semester examination. An end semester examination shall be of 2 hours duration.
2. The evaluation of Practical will be on the basis of industrial work/field work/practical session at workshop/laboratories and final end term evaluation.

## CT7: rules for grading

2. If a candidate fails in any subject, he has to reappear for that particular paper and pass. (That is, for example if candidate fails in midterm exam of a subject, he has to reappear for midterm of that subject.)
3. The performance of each candidate in all the subjects will be evaluated on 7- point scale in term of grades as follow:
